# Marina Lee

U.S. Citizen | SF Bay Area, CA, USA | linkedin.com/in/marinahylee | (626) 493-3122 | leemarina@gmail.com

## EDUCATION

**University of Southern California** <span style="float:right">Los Angeles, CA</span>

*Bachelor of Science, Computer Science* <span style="float:right">*Expected Graduation: May 2026*</span>

**Coursework**: Computer Systems and C Programming, RISC-V Assembly, Programming Abstractions in Python, Multivariable Calculus, Discrete Mathematics

## SKILLS

**Programming Languages**: Python (pandas, NumPy, Matplotlib), Swift, Java, C/C++, HTML, CSS, JavaScript
**Tools and Frameworks:** Figma, UIKit, SwiftUI, Bootstrap, TypeScript, Angular, jQuery, React

## EXPERIENCE

**Tech4Good Research Lab** – *Front-End Developer* <span style="float:right">*July 2023 - Aug. 2023*</span>
- Utilized **HTML, CSS, TypeScript, and Angular** to build ExploreCareers, a platform centered around career progression through short-form social media videos.
- Drove the continuous improvement of ExploreCareers by actively participating in design reviews and iterative development cycles. Implemented over 10 interactive UI components, enhancing a user-friendly experience.

**Accenture** – *Technology and Software Consulting Apprentice* <span style="float:right">*May 2023*</span>
- 1 of 100 selected to engage in a work-prep apprenticeship program hosted by Girls Who Code and Citi Foundation.
- Learned **project management skills** by investigating a case study scenario of modernizing a university library system.
- Consulted with mock clients to devise a product that ensures proper inventory tracking across stakeholders.
- Utilized **scrum and agile methodology** to streamline an effective access management process for **25K+ students** and community members. Presented project to 15 Accenture employees.

**PocketStory App** – *Founder, iOS Developer and Designer* <span style="float:right">*Aug. 2020 - Sept. 2021*</span>
- Developed PocketStory, a musical storytelling game tailored to special needs children. Used **Swift, UIKit, and Core Audio** to create 5 engaging and educational minigames, promoting skills used in music therapy techniques.
- Prototyped app using **Figma** and established a compelling brand identity for landing page website and App Store previews, resulting in **over 500 page views.**
- Composed electronic background music and sound effects using **Logic Pro X**.
- Earned **Girl Scout Gold Award**, (top 5% in the nation) for showing strong community impact.

## LEADERSHIP

**RTX (Raytheon Technologies)** – *Leadership Academy Fellow* <span style="float:right">*Aug. 2023 - Present (Dec. 2023)*</span>
- Selected to participate in Leadership Academy, a career development program in collaboration with Girls Who Code. Currently developing a web-based community forum with a team of 3 to a beta testing phase, with mentorship from RTX engineers.

**Citro Tech** (Diversity in Tech org.) – *Founder and Lead Director* <span style="float:right">*July 2020 - Present*</span>
- Organized two iterations of **Citro Hacks, an inaugural virtual hackathon** aiming to empower minorities in tech. Attracted a total of **1,385 high school/college students from 51 countries**, 65% consisting of first-time hackers. Resulted in a **99% increase in attendees' interest in a tech career.**
- Raised $3,000+ by securing **24 sponsorships** with companies like JetBrains, Repl.it, Figma, DigitalOcean, Postman.
- Executed social media campaigns to 100K+ Instagram users, resulting in 14K+ monthly impressions and 1,000+ followers.
- Develop website using **HTML, CSS, Javascript, jQuery** while using Git for collaboration, amassing 2K+ views worldwide.

## AWARDS & AFFILIATIONS

**Major League Hacking (MLH) Top 50 Hackers of 2023**
Out of 150K+ student developers worldwide, 1 of 50 recognized due to making a meaningful contribution and global impact within the hacker community.

**Other:** NCWIT National Honorable Mention Winner (top 11% in U.S.), AI4ALL Impact Grant Award (1 of 2 selected annually), Rewriting the Code Member, Society of Women Engineers Member, Kode With Klossy Alumni
